

QUATTRO®

THE RUBBER & RESIN SPECIALIST

Grip Top Ramp Matting

Grip Top Ramp Matting is the ultimate high quality, tough, durable yet light weight rubber for horsebox and transporter ramps. The tough, roughened rope effect surface provides excellent non-slip qualities.

Ramp Matting is stocked in two widths and to the length required.

High quality, heavy duty durable synthetic rubber.

Extremely high grip surface.

Available in 1.2m or 1.5m wide

The material is easy to work with, therefore application is straight forward. Custom cutting and fitting services are available, however can be subject to time and sizes. Contact our office for more information.
