May require more than 2 coats
Surcharge applies

Safety Yellow *▲
May require more than 2 coats
Surcharge applies

Even though there have been and continue to be many technical advances in printing, colour reproduction and product manufacture, the colours shown may not match and in some cases differ considerably between the actual colours achieved on site. No responsibility can be accepted once the products have been applied. It is strongly recommended that a sample is obtained and checked along with a site sample trial where possible for final approval.
